

## Child Safety Statement

At YWCA Australia, we are committed to the rights, safety, and wellbeing of all children and young people. We work to create environments that are welcoming, inclusive, and free from harm. We honour and respect Aboriginal and Torres Strait Islander cultures and connections to Country, ensuring cultural safety for First Nations children and families. We embrace the diversity of our communities, fostering cultural safety for children from culturally and linguistically diverse backgrounds, and we are dedicated to the inclusion and protection of children living with disability. Guided by the National Principles for Child Safe Organisations, we listen deeply, act responsibly, and continually strengthen our practices to keep children safe and supported.
